RESPONSE TO OFFICE ACTION

The Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Sir:

RESPONSE

In response to the Office Action mailed 05/02/01 for which a response is now due, the period of time having been extended, please consider the following amendments and remarks.

AMENDMENTS

Claim 1 (amended). A composition comprising [a protected] an alkylating reagent having a protected functional group said protected functional group capable of reacting with a nucleophilic group when deprotected wherein the protected functional group is unreactive to a nucleophilic group when in the presence of a nucleophilic group [wherein deprotection of said reagent is catalyzed by an enzyme].

CERTIFICATE OF MAILING

I hereby certify that this document is being deposited with the United States Postal Service as First Class Mail, in an envelope addressed to: Assistant Commissioner for Patents, Washington, DC 20231 on this 2nd day of October, 2001.
